CO-ORGANIZERS

- ROMANIAN ACADEMY - Energy Commission
- IEEE – Romanian Section
- Electromechanical Faculty, University of Craiova
- Research, Development and Testing National Institute for Electrical Engineering Craiova (ICMET)
- SC ELECTROPUTERE SA
- TRANSELECTRICA SA – Craiova Branch

TOPICS

Since 1991 the electrical engineering activities of researchers, academics and engineers industry have been promoted by The Faculty of Electrical Engineering Craiova at the International Conference on Applied and Theoretical Electricity. The Symposium on Cryoelectrotechnics and Cryogenics is held since 1988.

As continuation, you are cordially invited to attend the 7th edition of our conference – ICATE 2004 and the 9th edition of the Symposium on Cryoelectrotechnics and Cryogenics – SCC9, taking place in Băile Herculane, 14th-15th October 2004. Authors from academics and research institutes, as well as industry are invited to submit abstracts or ideas for papers on the following suggested topics:

ICATE 2004

- Theoretical Electricity
- Electrical Machines
- Electrical Drives
- Electrical Apparatus and High Voltage Equipment
- Power Engineering
- Materials for Electrical Engineering
- Electromechanical Equipment
- Traction Equipment and Electrical Vehicles
- Avionics, Navigation & Guidance, On-board and Engines Automation
- Electromagnetic Compatibility
- Electrotechnologies

SCC 9

- Cryoelectrotechnics
- Cryotechnics

ICATE 2004 and SCC 9 intends to strengthen the communication among researchers, academia and industry. Presentations of software demos are strongly encouraged.

LANGUAGE

The official languages of the conference are english and french.

PAPER SUBMISSION

Authors are invited to submit one page summary of their contributions, including a cover sheet containing the following information: title of proposed paper, author names, affiliations, postal and electronic addresses, phone and fax numbers and the contact person. The submissions should be sent by e-mail to icate2004@elth.ucv.ro as a **.pdf** or **.doc** attachment.

Remark: Each author should submit at most two papers.

AUTHOR'S SCHEDULE

Submission of summaries:	April 15, 2004
Notification of acceptance:	May 14, 2004
Full papers:	July 1, 2004
Notification of full paper acceptance:	July 30, 2004
Camera-ready copies of the accepted papers:	September 1, 2004
Registration:	September 17, 2004
