TOPICS

Since 1991 the electrical engineering activities of researchers, academics and engineers industry have been promoted by The Faculty of Electrical Engineering Craiova at the International Conference on Applied and Theoretical Electricity. As a continuation, you are cordially invited to attend the 14th edition of our conference to strengthen the communication among researchers, academia and industry. Authors from academics and research institutes, as well as industry are invited to submit papers on the following suggested topics:

- Circuits and Systems
- Magnetics
- Electromagnetic Compatibility and Engineering in Medicine and Biology
- Power and Energy Systems
- Electrical Machines and Drives
- Power Electronics

TECHNICAL COSPONSORS

- IEEE - ROMANIA SECTION
- IEEE - ROMANIA SECTION EMB CHAPTER
- IEEE - ROMANIA SECTION EMC CHAPTER
- IEEE - ROMANIA SECTION CS CHAPTER

IEEE Conference Record # 43007

- Control Systems
- Industrial Applications
- Environment Engineering and Equipment
- Electrical Engineering in Transportation Systems
- Applied mathematics in electrical engineering

PAPER SUBMISSION

Authors are invited to register and submit at most 6 pages full paper, according to the instructions for authors posted on the conference website. The submissions should be uploaded on <http://elth.ucv.ro/icate> as .pdf file. All the papers will be peer reviewed by members of the Program Committee.

Extended versions of selected papers will be subject to a new review process to be published in the Annals of the University of Craiova – Electrical Engineering Series (indexed in database Copernicus Journals Master List).

Proceedings of the editions 2012, 2014 and 2016 were already included in IEEEExplore and Thomson Reuters ISI Conference Proceedings Citation Index.

The Conference Proceedings of the 2018 edition will be also submitted to be included in IEEEExplore and Thomson Reuters ISI Conference Proceedings Citation Index.

Remark: Each author should submit at most two papers
