TOPICS

Since 1991 the electrical engineering activities of researchers, academics and engineers industry have been promoted by The Faculty of Electrical Engineering Craiova at the International Conference on Applied and Theoretical Electricity.

As a continuation, you are cordially invited to attend the 12th edition of our conference – ICATE 2014, which will be held in Craiova, House of Academic Staff, October 23-25, 2014. Authors from academics and research institutes, as well as industry are invited to submit papers on the following suggested topics:

- Circuits and Systems
- Magnetics
- Electromagnetic Compatibility and Engineering in Medicine and Biology
- Power and Energy Systems
- Electrical Machines and Drives
- Power Electronics
- Control Systems
- Industrial Applications
- Environment Engineering and Equipment
- Electrical Engineering in Transportation Systems

ICATE 2014 intends to strengthen the communication among researchers, academia and industry.

Promotion of CAD/CAE tools and product exhibitions are strongly encouraged.

LANGUAGE

The official language of the Conference and of the published conference papers will be English.

PAPER SUBMISSION

Authors are invited to register and submit at most 6 pages full paper, according to the instructions for authors posted on the conference website. The submissions should be uploaded on <http://elth.ucv.ro/icate> as .pdf file. All the papers will be peer reviewed by members of the International Scientific Committee.

The presented papers will be included in **IEEEXplore**.

Extended versions of selected papers will be subject to a new review process to be published in the Annals of the University of Craiova – Electrical Engineering Series (indexed in Copernicus Journals Master List).

Proceedings of the 2012 edition were already included in **Thomson Reuters ISI Conference Proceedings Citation Index**. The Conference Proceedings of the 2014 edition will be also submitted to be included in Thomson Reuters ISI Conference Proceedings Citation Index.

Remark: Each author should submit at most two papers

DEADLINES

- ▶ Full paper submission: July 31 (extended), 2014
- ▶ Notification of acceptance: September 01, 2014
- ▶ Camera-ready copies of the accepted papers: September 20, 2014
- ▶ Registration and full payment: October 01, 2014
